NEWS / STATUS UPDATE

Today, Prudentia welcomes its 40th member, Tim Gatty from the United Kingdom. Less than two years since its foundation, Prudentia has thus grown to a club of considerable size.

Prudentia members Claus Volko (that's me) and Christian Sorensen are involved in a series of interviews with high IQ people about the future of the world. The interviewer is Scott Douglas Jacobsen and he makes these interviews for his In-Sight Journal. The first part of the series can be found here: <https://in-sightjournal.com/2020/03/15/hrt-one/>

Jacobsen is also conducting a solo interview with me the first part of which can be found at: <https://in-sightjournal.com/2020/05/01/volko-one/>

May Prudentia live long and prosper!
